CAREER OBJECTIVE

Looking forward to associating myself with an organization as a **.NET Developer**, where there is an opportunity to share, contribute and upgrade my knowledge for the development of self and organization served.

cognizant WORK EXPERIENCE

CSD Intern | April 2024 – September 2024

Completed training program successfully on .NET Azure where I have learnt ASP.NET Framework, SQL, Azure gained strong core and technical knowledge in these courses.

ACADEMIC QUALIFICATION

- **Raghu Engineering College.**
B. Tech, Mechanical | 2020 – 2023 | CGPA – 8.65
- **Government Polytechnic Visakhapatnam.**
Diploma | 2017 – 2020 | 84.58%
- **Chaitanya Public School.**
SSC | 2017 | CGPA – 10.

PROFESSIONAL SKILLS

- Software skills known: Working knowledge in Visual Studio, SQL Server, Azure.
- Programming skills known: Basics of SQL, Basics of C#.
- Adapting to any environment or culture.
- Ability of willingness to learn new things.

- Ability to work independently or as a part of a team.
- Hard worker and has the ability to motivate myself and others.
- Good at oral and written communication

PROJECT WORKS

- **Document Approval System using Microsoft Azure Services**

Using Azure Services like Logic Apps, Function Apps, API Management, Storage Account, Key Vault Implemented a workflow where uploaded documents trigger email notifications for review. Upon approval, documents are automatically moved to an approved folder; otherwise, they are rejected. Created a REST API using Azure API Management to retrieve document counts and names. This system streamlined document management and approval processes, enhancing efficiency and security.

- **Parametric optimization using ABC Algorithm.**

Using an ABC like algorithm global optimization tool, it is now possible to determine the optimal parametric settings of different machining processes to have enhanced machining performance in real time manufacturing environment.

WORKSHOPS & CERTIFICATIONS

- Completed SQL basics certification on HackerRank.

PERSONAL DETAILS

- Languages known : English, Telugu, Hindi.
- Domain Interests : Programming, Developing, Testing and validating.
- Hobbies : Playing games, Travelling.
